### **Couple Gives \$50K Toward Elevator**

#### **Ceremony to honor couple's donation to Veterans Inc. Tuesday - July 21, 2009**

On Tuesday, July 21, 2009 at 11:30 a.m. at Veterans Inc. at 69 Grove Street in Worcester, MA, Veterans Inc. will hold a ceremony to honor Milton W. Whiting and Dorothy T. Whiting for a \$50,000 donation made toward a new elevator at Veterans Inc.'s Grove Street location.

Other donors to the elevator have included the City of Worcester through the U.S. Department of Housing and Urban Development Community Development Block Grant program.

Milton and Dorothy Whiting have been associated with Veterans Inc. for more than ten years and have remained avid volunteers. Mr. and Mrs. Whiting gave Veterans Inc. an additional \$50,000.00 gift towards the renovation project of the kitchen/dining hall in 2003. Both of these gifts combined have made Milton and Dorothy Whiting one of the largest private donors to Veterans Inc.

Veterans Inc. is a non-profit organization which has been helping veterans and their families since 1992, providing supportive, transitional and permanent housing, food bank, hot meals program, case management, employment services and job training.
