Giving Guide – October 2020

Veterans Inc. Gala Event...At The American Heritage Museum October 24, 2020

As we enter our 30th year serving veterans and their families we prepare for our biennial Gala Military Celebration at the *American Heritage Museum* in Hudson, Massachusetts.

The gala takes place on Saturday, October 24th, and will be an exciting event held against the backdrop of the majestic museum. The museum is incredible, with captivating exhibits that will touch you at your patriotic core. The venue also provides extremely ample space for social distance. To add further interest and access for those not able to join us in-person, there will be an option of an exciting virtual experience.

All proceeds will support our efforts to end homelessness among veterans, ensuring that we will continue to be able to be there for any veteran or veteran family who needs us, especially during the current pandemic. Since 1990, we have served over 85,000 veterans. Another 5,000 veterans and their family members will seek our help this year alone, including support with food, housing, employment, specialized services for Post 9/11 veterans, a women and children's program, and substance addiction treatment.

This year although our global challenges and our gala venue may have changed, our Veterans Inc. mission remains very much the same.
