Dear Friend,

On any given night, there are over 38,000 Veterans who are homeless, alone, and desperate for help. When added to the number of Veterans who are at risk of becoming homeless, it brings the total to nearly 1.5 million Veterans without a roof over their head or a family that is safe from harm.

This is not the situation they deserve.

This is not the destiny they deserve.

This is not the America they deserve.

But with your help, we can fix that. We can fix it because like us, you are committed to supporting Veterans and their families.

During this time of giving, we ask that you demonstrate your commitment by donating to our mission. For over 30 years, Veterans Inc. has helped more than 100,000 Veterans and their families conquer their complex health issues, become financially stable, and have a place of their own that they can call home.

By contributing to Veterans Inc. this year, you'll fund our emergency shelter, transitional housing, substance use addiction recovery, suicide prevention, and other high-quality programs and services that are delivered to more than 6,000 Veterans and their loved ones annually.

Your gift today WILL change a Veteran's life.

The freedoms and independence we enjoy everyday have been made possible by the same individuals who so desperately need our help now... our Veterans.

***They were there when we needed them...
We must be there now that they need us.***

Sincerely,

Vincent J. Perrone Lt. Colonel, USAF (Retired)
