Greetings!

To safeguard the American dream, veterans proudly swore an oath, put on the uniform, and marched off to an uncertain fate. In return, many came back to a nightmare, with no steady job, no place to live, and no one to turn to. They went from hero to homeless.

At Veterans Inc., we are committed to ensuring veterans receive the care and respect they deserve so that they can return to independent, robust, happy lives.

But they can't do it alone. They need your help, now more than ever.

We know you share our deep commitment to supporting our veterans and their families, including our female heroes who often face unique challenges such as post-service trauma and family reintegration, and we ask you to stand shoulder-to-shoulder with us this season.

By donating, you will be directly contributing to our over 30-year mission to ensure all veterans overcome complex behavioral issues and secure stable employment and housing.

Your generosity will help fund our emergency shelter, transitional housing, and addiction recovery programs and support services, as well as our employment services provided to more than 6,000 veterans and their families each year, and our outreach, homelessness prevention, and suicide prevention programs.

Your support helps heal our veterans' unseen wounds and ensures that all who served receive the care they deserve.

As we approach this holiday season, please remember:

They were there when we needed them... We must be there now that they need us.

Sincerely,

Vincent J. Perrone Lt. Colonel, USAF (Retired)
